

TECHNICAL DATA SHEET

According to Reg (EC) No 767/2009 and 1831/2003. European Union Register of Feed Additives (Feed grade, Application category: 2, Functional group: b)

Product name: EUCALYPTUS OIL
(Eucalyptus globulus Labill.)
Product code: 1438, 1454, 1478
Item number: 900337
CAS: 8000-48-4

Product description:

Taste and odour: Intensive, fresh
Colour: Colorless, light yellow Liquid
Appearance:
Recommended dose: 0,05-0,1 g/kg

Analytical properties:

Density (20°C):	Approval limit:	Method:
Refractive index (20°C):	0,9060-0,9270 g/cm ³	M0001
Flash point:	1,4580-1,4700	M0002
Solubility:	53 °C → 127,4 °F	M0025
Optical rotation:	soluble in alcohol, in oils	M0010
1,8 Cineol cont.(GC%):	0°; +10°	M0054
	min.80%	M0049

Storage and handling:

Shelf life: 730 days in closed original containers.
Storage conditions: Store in a cool, dry place.
Remark: Once opened, closed container tightly, so that original quality can be maintained.
Packaging: 9g (10ml)/bottle
45g (50ml)/bottle
90g (100ml)/bottle
450g (500ml)/bottle

The specification was created based on our best knowledge, the provided information is accurate and correct according to the best of our knowledge. The product can be used at the sole liability of the Buyer and it is the Buyer's responsibility to justify that the product meets the requirements of local laws and regulations.

GMO Declaration:

We hereby certify that the above mentioned products do not have to be labeled as genetically modified according to current food legislation of labeling, approval and traceability of genetically modified organisms. Should the GMO-status of this product change, you will be informed.

Packaging compliance:

All the packaging materials which were used for this product comply with the 10/2011/EC, 1935/2004/EC European Parliament and the European Council requirements, guidelines, and their changes.

The specification was created based on our best knowledge, the provided information is accurate and correct according to the best of our knowledge. The product can be used at the sole liability of the Buyer and it is the Buyer's responsibility to justify that the product meets the requirements of local laws and regulations.
